

Welcome to your Members Newsletter, the last in 2020.

2020 has been a year which unfortunately no one will forget, however there have been some positives too. We take a look at some of the things CLC World did during 2020 to make a positive impact as well as the initiatives taken to ensure those that could, or wanted to travel, have a great experience.

We also look forward and explore the different Travel Trends and Destinations 2021 that we expect to be big news in the coming year. One thing is for certain, the vast majority of CLC World Members and the general public are keen to start travelling more, whether that's domestically or abroad.

The Kids' Christmas Card Competition had some lovely entries and you can see the winners in the article below. We particularly liked Layla Virgo's Christmas Bauble, which we have digitally animated and will be sending out as the official CLC World Christmas card.

Last but definitely not least is a video message from all your CLC World resorts.

We hope you enjoy our articles and wish you all a Seasons Greetings and Happy New Year.

Happy Reading!
